OUR MISSION

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding through Lions clubs.

OUR VISION

To be the global leader in community and humanitarian service.

OUR GLOBAL CAUSES

Every journey begins with a single step. One act of service, one encouraging word, one gift of generosity is often all it takes to bring hope where it's needed most.

Over the last 100 years, the kindness of Lions and Leos has multiplied across borders, oceans, and continents. With over 1.4 million members, we now have an opportunity to truly change our world.

That's why we're uniting our global service around five areas of need. These Global Causes present significant challenges to humanity, and we believe it's our turn to meet them.

Diabetes, Vision, Hunger, Environment, Childhood Cancer

OUR PURPOSE

To Organize, charter and supervise service clubs to be known as Lions clubs.

To Coordinate the activities and standardize the administration of Lions clubs.

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS CODE OF ETHICS

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

PROCUREMENT OF DISTRICT / CLUB PROPERTY

District paraphernalia (i.e., bell, gavel, banner, etc.) is respected property and is not to be taken or stored in protected custody by unauthorized Lions or guests.

CLUB CHARTER and CLUB BANNER are respected property and are not to be removed by anyone other than the Club's Lion Tamer.

CLUB BELL and GAVEL, if the Club is an under-strength club these items are respected property and are not to be removed by anyone other than the Club's Lion Tamer. Also an under strength club on visitation may not procure that Club's bell and/or gavel. The procurement of another Club's bell and/or gavel is to be done in the interest of fun and fellowship. The procurement of a Club's bell and/or gavel by the Club's own members does not meet that criteria. The bell and/or gavel may only be taken during the meeting time (i.e. between the Call to Order and Adjournment). The bell and/or gavel may not be taken during the District Governor's official visitation.

INDUCTION OF A NEW MEMBER

Call to Order We are about to begin our New Member Induction Ceremony, in which we will induct _____ new members into our club. At this time, I would like to call each of the new members and their sponsors. As their names are called, will the sponsors and new members please rise and come forward. Please hold your applause until all the names are announced. Thank you. (Insert new member names and sponsor names.)

Welcome Ladies and gentlemen, on behalf of the officers and members of the _____ Lions Club, I want to express our sincere pleasure at your presence at this meeting. You have been invited to become members and we are all extremely proud that you have accepted membership in our club and Lions Clubs International. Membership in a Lions club is a privilege. You have joined the world's largest and most active service club organization; a group of over 1.4 million men and women in over 48,000 clubs in over 200 countries and geographical areas around the globe, who are dedicated to making a difference. Through your membership, you will help our club reach out to people in need in our community, and throughout the world.

Since that humble beginning which dates back to 1917, Lions club members have volunteered their time and talents to meet needs wherever they exist. Lions are especially dedicated to serving the blind and visually impaired, a commitment made after Helen Keller challenged our members to become her "knights of the blind in the crusade against darkness" during the 1925 convention in Cedar Point, Ohio, USA. Our motto, "We Serve" perfectly exemplifies the dedication to helping those in need felt by Lions worldwide. Your membership in the _____ Lions Club will help us carry on this tradition of service for many years to come.

Your membership in the _____ Lions Club will allow us to reach more people in need, in both our local and world communities. The officers and members of this club are thrilled that you have chosen to help us continue the legacy of Lions Clubs International by improving the lives of the less fortunate and making our community an even better place to live.

INDUCTION OF A NEW MEMBER (continued)

Since you have expressed a desire to affiliate with this club, and with Lions Clubs International, I now ask that you repeat after me the Obligation of Membership: I do hereby accept membership in the _____ Lions Club knowing that such membership encourages me to participate in functions of the club. To the best of my ability, I will abide by the Lions Code of Ethics and contribute my share to the programs of my club, district and Lions Clubs International. You are now officially a member of the _____ Lions Club. Your sponsor will now present to you the Lions emblem pin, which signifies membership- I will – You are now officially a member of the _____ Lions Club.

7) Closing Statement “Fellow Lion _____ (insert new member name), wear this emblem with pride, for it represents your membership in the world’s largest service club organization; an association that has a distinguished legacy of meeting needs worldwide. hearfoundation@aol.com

The hearing foundation, a non-profit was founded by Lions Clubs of California and Nevada in 1982. The foundation is dedicated to assist qualified low income deaf and hearing-impaired people unable to afford the care they need to hear better; it issues hearing aids from it's hearing aid bank at a nominal fee.

Member lions' clubs are encouraged to find patients in their community who might benefit from our services. Lions are encouraged to collect and send used hearing aids to our office.

The foundation is funded by two primary sources, Lions Club can become a member club by pledging to making a semi-annual donation to the foundation. Individual and other friends of the foundation may become a member. The principal received from these donations is invested in a trust account. Investment income may be used only for patient care expenses.

Officers and directors of the foundation are available and anxious to make presentations at club or cabinet meetings. If you would like to arrange a presentation, please call or email our office.

LIONS CLUBS INTERNATIONAL FOUNDATION

The Foundation of Service

Our mission is to support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants.

History in the Making

The story of LCIF is epic filled with unlimited compassion and tireless support of Lions service. For more than 50 years, we have dedicated our energies to increasing the ability of Lions everywhere, helping them empower the communities they serve. With every grant we give, our history grows, along with the impact of Lions. Today, we couldn't be prouder of where we stand, or more excited about the future of our work.

SightFirst grants can help a child see the world for the first time. They can protect a village from a debilitating eye disease or intervene before someone goes blind due to diabetic eye disease. They can upgrade hospitals and clinics in underserved communities by training doctors and nurses, distributing medicine and raising awareness around the world.

Since 1990, SightFirst has played a major role in helping restore and improve the vision of millions around the world.

- More than US\$356 million approved for over 1,330 projects in 102 countries
- 9.1 million cataract surgeries performed to restore sight
- 1,292 eye centers and training institutions built, expanded or equipped
- 1.8 million professional eye care and community health workers trained
- 164 million doses of Zithromax® distributed to control trachoma
- 218 million doses of Mectizan® distributed to halt the progression of onchocerciasis

LIONS CLUBS INTERNATIONAL FOUNDATION (continued)

SightFirst supports high-quality, cost-effective, equitable, and sustainable eye care projects that focus on infrastructure development, human resource training, eye care service delivery and eye health education.

Applications for SightFirst grants are due no later than 90 days prior to the start of the SightFirst Advisory Committee meetings, which take place in January and August. Regional SightFirst Technical Advisors should be consulted throughout the entire application process.

LIONS PROJECT FOR CANINE COMPANIONS

President John Beere

LPCC National Office P. O. Box 3896 Santa
Rosa, CA 95402 707-577-1774

Introduction

LPCCI is a non-profit organization formed in 1983 to educate, raise funds and to seek puppy raisers for Canine Companions for Independence.

More About Us

Since its humble beginnings, LPCCI has grown in membership and support from Lions Clubs in just two states to 26 states across the nation. Currently LPCCI has 17 Area Directors and 68 Trustees working to create awareness and provide support for Canine Companions for Independence. Lions and Lions Clubs contribute to LPCCI through Life Memberships, Club Memberships, awards, sponsorships, fundraising, puppy raising, and volunteering. Our goal is to have representation and support in all 50 states across the nation.

The support of Lionism is greatly needed, now, more than ever!

There is NO charge for the dog. Requests for assistance dogs are increasing, and so are the substantial costs involved in the lengthy process of breeding, raising, training, and placing a Canine Companion with a CCI graduate.

Lions, Lioness, and other service clubs, working through the Lions Project can help CCI's efforts to offer greater independence and self-esteem to more people with disabilities.

We have trustees in many states, and we are seeking support from Lions Clubs throughout the United States. Interested Clubs or persons should contact their local Lion LPCCI representative or contact us directly.

YOUTH PROTECTION POLICY

MD4 requires all Districts and Lions Clubs to address the issue of youth protection, and to follow the MD4 Youth Protection Policy and Procedures. A District / Club may establish additional policies and procedures as determined appropriate to protect the safety and well-being of all who participate in Lion Youth Service Programs. Below is the link for information on the Youth Protection Policy

<https://md4lions.org/youth-protection-policy>

We are committed to the protection of the youth we serve, Lions and our volunteers.

School based Leo Clubs that meet on the school site, have a faculty school advisor, and follow California school district clearance policy and procedures are exempt from this process. The Leo Activities in these Leo Clubs are considered a school-based activity. A letter from the school district identifying the faculty advisor and name of the Leo Club is required for MD4 records.

Non-school based Leo Club advisors and volunteers are not exempt from this process. All other Lion Youth Programs advisors and volunteers (such as, but not limited to Youth Exchange, Kids in Sight, Youth Outreach) are not exempt from this process. Lions Clubs/Districts may choose to have more stringent requirements than this policy and procedures provide, but not less.

WHITE CANE DAYS

Throughout the world, the long white cane is used by people who are blind or visually impaired as a tool for safe and reliable navigation. The white cane is a symbol of the user's skills and talents, mobility and independence. It also allows the sighted person to recognize that the user is visually impaired.

The white cane was initially developed and put into use as a measure of safety, especially in traffic situations. Sufficient training with an Orientation and Mobility specialist can aid in successful cane use, technique and safety. Several countries have traffic laws designed to protect the person using the white cane. The "VisionAware" section of the American Foundation for the Blind's website illustrates several types of white canes that are internationally recognized. Sometimes the white cane has a red band or strip for the purpose of contrast.

International White Cane Safety Day (October 15th) gives Lions an opportunity to increase awareness of the white cane traffic safety laws. According to the World Blind Union, which is a global organization representing the 285 million blind or partially sighted people worldwide, "White Cane Day is observed worldwide to recognize the movement of blind people from dependency to full participation in society."

WHITE CANE DAYS (continued)

Suggested Activities for Lions

Mobilize your club to partner with local blindness experts, schools and organizations for the blind to plan your International White Cane Safety Day awareness activity.

- Arrange for a person who is blind to demonstrate the use of the white cane and its benefits and share his or her accomplishments and aspirations with the community or your club.
- Invite a representative from a local school for the blind or a low vision clinic to speak about white cane, orientation and mobility and white cane laws in your community.
- Work with your local government officials to create a White Cane Safety Day Proclamation for your event.
- Work with local news media to convey your community's white cane laws to the public.

Be sure to report your white cane awareness project or event using the [Service Activity Report in MyLCI](#). Learn how your project may contribute toward the [Centennial Service Challenge](#)!
